# What we do?

---

We are specialized in the manufacturing of  
POOL TABLES.

Our professional pool tables are the result of a long  
craft tradition, whose secrets have been developed  
and bequeathed for three generations.

This artisanal work requires patience and  
considerable efforts and this is why only few experts  
and enthusiasts keep practising it today.

## Italian Excellence

---

The creation of our pool tables is an ode to true beauty, it is passion becoming tangible.

Research and in-depth study shape the idea; ability and experience can turn it into reality.

Our skillful artisans orchestrate each phase to forge visions and convey emotions.

While the idea takes shape, the creation aims for perfection.

**Perfection is an illusion, excellence is real.**

Capsule Pool Table

# ALHAMBRA

The Capsule Alhambra Pool Table was born from the desire to pay homage to the Andalusian style and the grandeur of a unique building of its kind.

The Alhambra in Granada is a magnificent arabesque complex that surprises and fascinates. The details are endless, its style is rich and refined at the same time

The Alhambra Pool Table is made up of thin shiny gold sticks that create a dynamic design, reminiscent of Arabic shapes.

Alhambra Pool Table is design in collaboration with Bellavista & Piccini Studio.

A close-up, high-angle photograph of a pool table. The table has a light-colored, textured leather-like top and a dark, striped felt surface.
