What we do?

We are specialized in the manufacturing of a wide range of GAME TABLES.

From casino games to strategy games, our game table collections can fit anyone's desire.

The design goes from more classical to pure modern.

The customization is a key point of our game tables. Thanks to our deeply rooted experience, we are able to create TURNKEY games room, matching different games and taking care of room decor

The importance of time

Nowadays enjoying leisure time or spending evenings with friends, in the complete privacy of the house, can be considered a real luxury.

Vismara Design creates spaces thereby enabling to enjoy relax and lightheartedness: Private Game Room, not just a product, but one-of-a kind service.

A close-up, high-angle photograph of the interior of a pool table. The image shows the white, polished rails and the bumpers. The bumpers are arranged in a grid pattern, with some being white and others being a polished brass or gold color. The rails are made of a dark, polished material, likely stainless steel. The lighting is soft and even, highlighting the textures and reflections of the materials. The overall composition is clean and minimalist, focusing on the intricate details of the pool table's construction.
