EGEO

Outdoor Table Tennis Table

Description

Egeo is an outdoor Table Tennis Table.

Egeo table draws inspiration from ancient Greek temples, from their majestic grace and essential shapes.

The playing top is in ceramic, available in two stone effect finishes: Beige Travertino Classic and Gris du Gent.

The legs are beautifully crafted in fluted resin, coated with a concrete effect lacquering, recalling greek columns pattern. The game net can be easily removed, transforming the table in a dining/conference one. Egeo Table is also available in a indoor edition, with veneer top. Egeo includes a set of 4 rackets and 8 balls.
