

MAHJONG Mahjong Table

LE.GT.MJ

Description

Mahjong is a fascinating game of skill, whose origins are strongly rooted in China. This game's great tradition has led Vismara to create a table who maintains the conventional rules but with an innovative touch of great modernity. A mechanism for the tiles sorting, allows to optimize the game experience, making the table a precious and one-f-a-kind product. Aesthetically, the combination of an original look and a modern style, is associated to the traditional layout of the game surface, making this design piece a real artisan masterpiece.

Vismara Mahjong Table is complete with functional pockets and USB ports, placed in all four player positions. The table is equipped with two professional Mahjong tiles sets to make the product really complete.

Designed by Pino Vismara
