

# ARGO20 Darts Cabinet

MC.GT.AR20

---

## Description

The 2020 edition of ARGO is proposed as a sober and elegant piece of furniture.

The doors are covered in Ebony Makassar/Canaletto Walnut veneer, giving the furniture a very contemporary look. The interior remains the same: the target is made of African Sisal, a natural fiber which doesn't leave darts holes.

A decorative patterned foam, placed around the dartboard and on the inner side of doors, protects the cabinet from unlucky shots.
