## MultigameTable

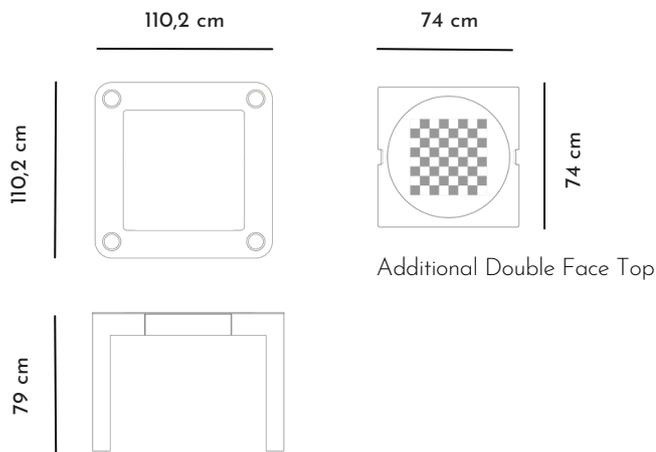

### Description

An apparently simple table hides secrets ready to be revealed.

A product that changes, but always remains the same. Enigma multigame table allows you to play chess, backgammon, cards, domino, mahjong, carrom and dices.

Enigma is a multigame table that thanks to a double face top allows you to have your favourite games close at hand, in a single product. Enigma multigame table is provided with 4 drawers where is possibile to store all the accessories for different games. The simple yet modern structure is completely lacquered. The top rail is enriched with veneer wood.

Enigma table is available in 2 basic editions: cards table or carrom table.

### Finishes:
